

Office and Court of the Lord Lyon - Guidance Note. No. 1

Succession to a Scottish Peerage or Nova Scotian Baronetcy or to a Peerage or Baronetcy of Great Britain or the United Kingdom with a Scottish Territorial designation **Matriculations of Arms with additaments appropriate to a Peerage or Baronetcy**

1. ***Official recognition as peer or baronet*** - Before a person may be officially recognised as a peer or a baronet their name has to be entered in either the Roll of the Peerage established by Royal Warrant given on 1 & 3 June 2004¹ or in the Official Roll of the Baronetage established by Royal Warrant given on 8 February 1910².
2. ***Evidence of succession*** - The Assistant Registrar of the Peerage & Baronetage will accept a Matriculation of a Coat of Arms by the Lord Lyon King of Arms with the additaments appropriate to a peer or baronet as evidence of succession to a Scottish Peerage or Nova Scotian Baronetcy³ or to a peerage or baronetcy of Great Britain or the United Kingdom with a Scottish Territorial designation, as evidence for entry onto the Roll. Succession can also be proved in the other ways set out in the Ministry of Justice Guidance notes noted below. However, the Matriculation is but evidence of the succession and the person concerned cannot be officially recognised as a peer or a baronet until their name has been entered on the Roll.
3. ***The Rolls*** - The Royal Warrants provide as follows:

The Peerage Royal Warrant paragraph 3:

- “3. *Peers not entered on the Roll not entitled to precedence of Peerage etc*
Any Peer who is not entered on the Roll shall not:
(a) be entitled to any precedence attaching to his Peerage;
(b) be addressed or referred to by any title attaching to his Peerage in any civil or military Commission, Letters Patent, or other official document.

The Baronetage Royal Warrant paragraph II:

- “II. That no person whose name is not entered on the Official Roll of Baronets shall be received as a Baronet, or shall be addressed or mentioned by that title in any civil or military Commission, Letters Patent, or other official document.”
